

Here's how to make John's Freight shed – the prints needed are in the pages below.

For the step by step instructions, please go to:

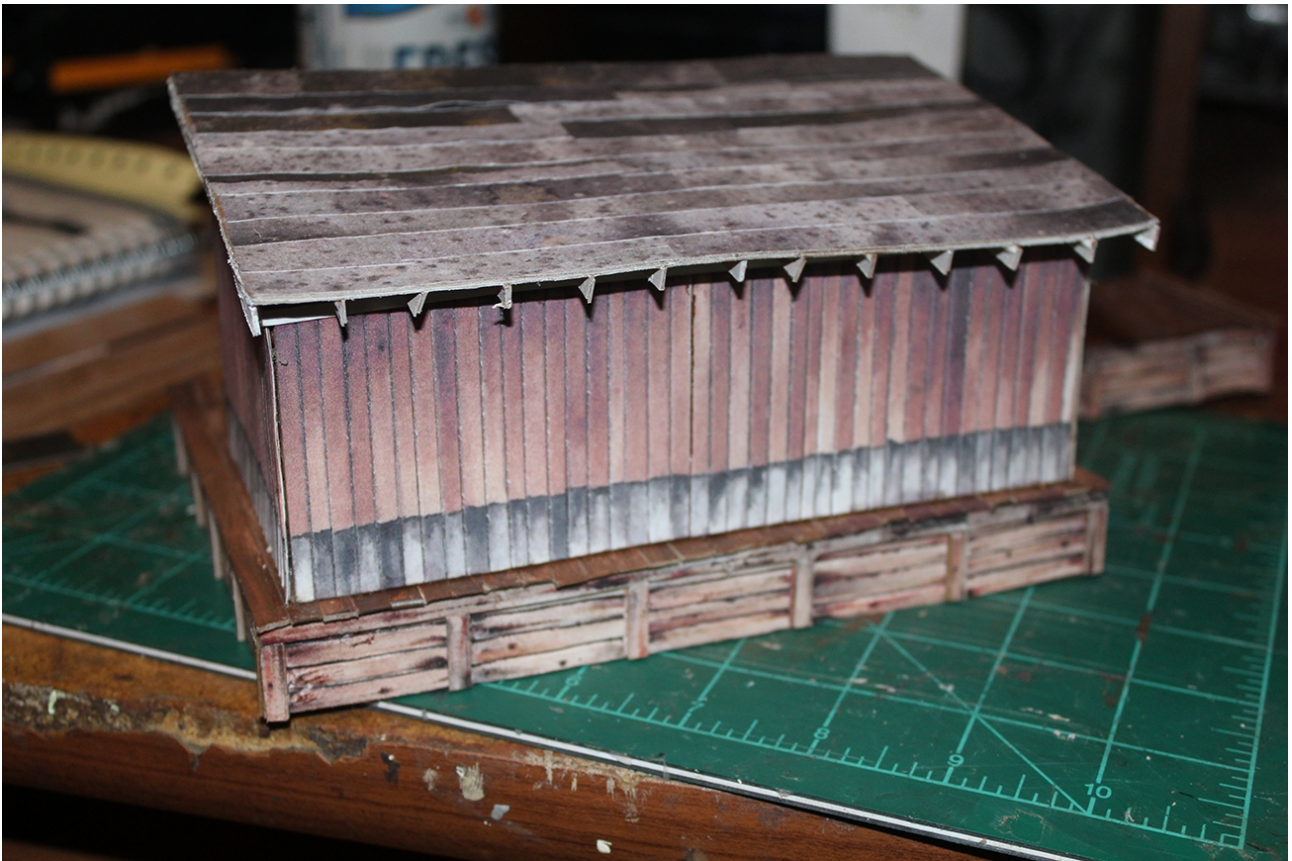

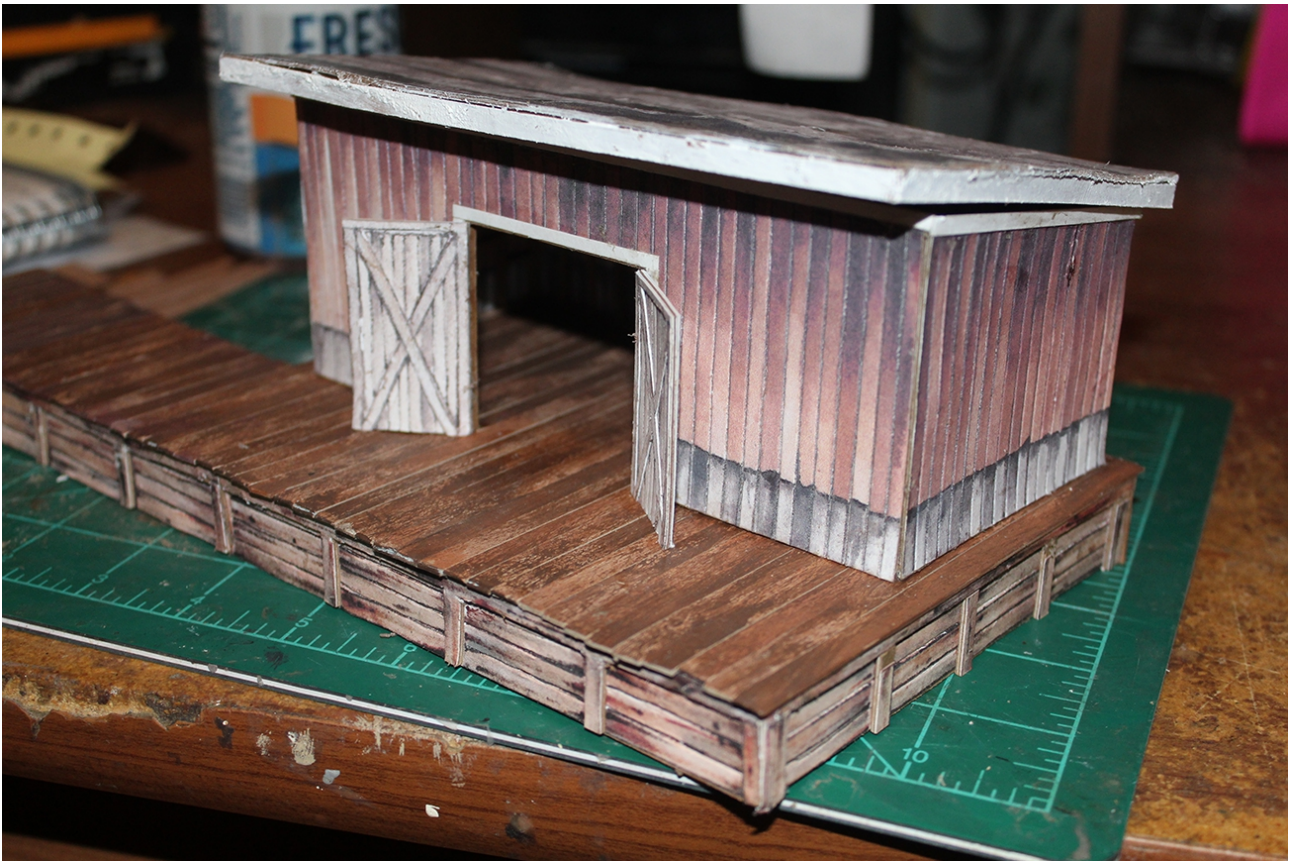

<https://modelrailwaylayoutsplans.com/johns-scratch-built-freight-shed/>

Remember, for HO scale you do not need to resize any of the prints. Reduce by 54% for N scale.

Below are the prints you need to make the shed.

By the way, if you're not on the newsletter, you're missing out on lots of stuff like this. Jump on here: <https://modelrailwaylayoutsplans.com/newsletter/newsletter.html>
