

Thanks for your order.

Here's the Green shack download (just scroll down).

You don't need to change anything if you want HO scale.

For N scale, reduce by 54%

For O scale, increase by 181%.

For G scale you'll need a bigger printer than a desktop printer - any office stationers like Kinkos will be able to help.

Here's what the Green shack looks like built – it's just a basic box, so easy to make:

And here's the youtube with the step by step instructions:

Don't forget to send me your layout pics – with or without the store.

Best

Al
